

# Miroslav Latinovic

DevOps Engineer / SRE / Cloud Engineer

## 👤 Profile

A lifelong student of IT who enjoys learning new things, my passions are infrastructure, automation and cloud. Able to easily pick up new things, work independently but also as a part of a large team.

## 📁 Employment History

### DevOps Engineer at Trustsoft, Prague, CZ

February 2023 — Present

- Designing and implementing CI/CD solutions for automatic code packaging and deployment to AWS
